Romford Town Swimming Club's principal aim is for your children to learn an essential life skill and enjoy doing so. Once able to swim competently your child may wish to further improve by entering our competitive swimming programme where they will refine their strokes and build their stamina further to enable them to become involved in competitions. We follow the Amateur Swimming Association's {the ASA) National Plan for Teaching Swimming (NPTS) and all of our poolside teachers are, minimum Level 1 ASA Qualified. At some sessions we have in-pool water assistants to encourage less confident swimmers in their early lessons.

Important Notice about Payment of Fees and Return of Forms

Did You Know?

Romford Town Swimming Club is a not-for-profit Registered Charity (No.1125308). It is run by a team of volunteer committee members with employed teachers and coaches.

On time Payment

Each term, we assess the pool time and resources required to cost effectively run our courses. Early return of payment and enrolment forms is therefore essential to help us with our costs and for you to secure, wherever possible, the requested time and day for your child's lesson.

Enrolment Forms

The enrolment forms carry essential information and must be returned when renewing. They carry important details regarding any known medical conditions that your child has that the teachers should be aware of. There are occasions where we may also need to contact parents/guardians i.e. unforeseen pool closures. If pool closures do occur, considerable effort is made to inform all parents using the contacts provided. This may be phone, mobile, text, email or a mixture of these.

Unforeseen Pool Closures

We will always endeavour to publicise pool closures on our website (www.romfordtownsc.com). Please check this regularly for updates and information about the Swimming Club. To reduce administrative costs and effort we will normally carry over any cancelled lessons fees to the following term and offset against the new term fees. If you require immediate repayment you should contact us at the address below or via email and we will arrange for a repayment to be issued.

Pre-lesson Meals

Can all parents please ensure that their child does not over-eat prior to attending their swimming lesson? There have been a few instances of children being unwell in the pool which has subsequently led to an enforced pool closure whilst the pool is cleaned.

Bounced/Unpaid Cheques

Please note that RTSC reserves the right to reclaim any bank charges incurred as a result of a cheque being returned unpaid. Every effort is made to bank cheques within two weeks but occasionally it may take longer. There is currently a fee of £6 payable (variable) should any cheque be returned "unpaid". If we have taken reasonable steps to pay this in within good time we will expect repayment of this fee prior to your child continuing their lessons. Apart from paid Teachers and Coaches, RTSC is run by volunteers, as a Charity to support swimming and a healthy lifestyle in our area. Every effort is made to keep fees as low as possible - your support is appreciated.

Please detach and send completed Form and Payment to:

RTSC Learn-to-Swim, 238 Osborne Road, Hornchurch, RM11 1HR

(Cheques should be made payable to "Romford Town Swimming Club" or "RTSC")
