**2nd lesson:** Everyone learns at a different pace. However, booking a second lesson would help reinforce the learning process and prevent skill regression. We can offer a second lesson at 2/3 of the full price, but this is subject to space availability. We will do our best to fit you in. Alternatively, you can still book two consecutive lessons (if your child has reached group 2 or above) for the full price at times suitable to your weekly schedule.

**Group 4 (Equivalent to Swim England Stages 6 & 7).** Children in this group swim for 1 hour to give each swimmer time to build greater stamina, strength and efficiency in water, with the aim to transition these swimmers from learning to swim to swimming for fitness or competitive pathways. The price for the entire term (12 weeks) is £172.25.

**Group 5 (Equivalent to Swim England Stages 8–10).** Group 5 represents the highest level within our Learn to Swim pathway. Swimmers continue with 1-hour sessions, focusing on advanced technique, race skills, and developing endurance suitable for squad swimming or school competitions. The price for the entire term (12 weeks) is £172.25.

Please note:

- Payment must be made in full before the start of the course, otherwise, we may offer your place and time slot to someone else
- If payment is not received by the course start date, we shall not be obliged to teach your child
